"**Consolidated EBITDA**" means, for any Test Period, Consolidated Net Income for such period *plus*, without duplication and to the extent deducted in determining such Consolidated Net Income:

(i) Consolidated Interest Expense;

(ii) provision for federal, state, local and foreign income taxes;

(iii) depreciation and amortization expense;

(iv) non-cash stock-based compensation expense;

(v) [reserved];

(vi) restructuring charges, severance, relocation costs and facility closing or consolidation costs; and

(vii) the amount of "run-rate" cost savings, operating expense reductions and synergies projected by the Borrower in good faith to be realized as a result of actions taken or initiated prior to the last day of such Test Period, net of the amount of actual benefits realized during such period, *provided* that such cost savings are reasonably identifiable, factually supportable and are reasonably expected to be realized within eighteen (18) months after the last day of such Test Period;

provided, further, that the aggregate amount added back pursuant to clauses (vi) and (vii) for any Test Period shall not exceed **25.0% of Consolidated EBITDA for such Test Period (calculated before giving effect to any such add-backs pursuant to clauses (vi) and (vii))**.

"**Consolidated Total Debt**" means, as of any date of determination, the aggregate principal amount of Indebtedness of the Borrower and its Restricted Subsidiaries for borrowed money (including Revolving Loans then outstanding) and Finance Lease Obligations, determined on a consolidated basis; *provided* that Consolidated Total Debt shall exclude undrawn amounts under letters of credit.

"**Consolidated Total Net Debt**" means, as of any date of determination, (a) Consolidated Total Debt *minus* (b) the aggregate amount of unrestricted cash and Cash Equivalents of the Borrower and its Restricted Subsidiaries as of such date **in an aggregate amount not to exceed $15,000,000**.

"**Consolidated Cash Interest Expense**" means, for any Test Period, Consolidated Interest Expense paid or payable in cash, excluding amortization of deferred financing fees, original issue discount and any paid-in-kind interest.

"**Total Net Leverage Ratio**" means, as of the last day of any Test Period, the ratio of (a) Consolidated Total Net Debt as of such day to (b) Consolidated EBITDA for such Test Period.

"**Interest Coverage Ratio**" means, for any Test Period, the ratio of (a) Consolidated EBITDA for such Test Period to (b) Consolidated Cash Interest Expense for such Test Period.

"**Test Period**" means, as of any date, the period of four consecutive fiscal quarters of the Borrower most recently ended.

SECTION 6.01(C) COMPLIANCE CERTIFICATE

Within forty-five (45) days after the end of each fiscal quarter, the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer (a "**Compliance Certificate**") setting forth reasonably detailed calculations demonstrating compliance with Section 7.11, including a schedule of all amounts added back pursuant to clauses (vi) and (vii) of the definition of Consolidated EBITDA.

SECTION 7.11 FINANCIAL COVENANTS

SECTION 8.04 RIGHT TO CURE

(a) Notwithstanding anything to the contrary in Section 9.01, in the event the Borrower fails to comply with Section 7.11(a) for any fiscal quarter, the Sponsor may make a cash equity contribution to the Borrower (the "**Cure Amount**") at any time after the end of such fiscal quarter and on or prior

to the fifteenth (15th) Business Day after the date the Compliance Certificate for such fiscal quarter is required to be delivered. Upon receipt, Consolidated EBITDA shall be increased by the Cure Amount, solely for the purpose of determining compliance with Section 7.11(a), for such fiscal quarter and for any Test Period that includes such fiscal quarter.

(b) (i) In each period of four consecutive fiscal quarters there shall be at least two fiscal quarters in which no Cure Amount is made; (ii) no Cure Amount may be made in consecutive fiscal quarters; (iii) no more than five (5) Cure Amounts may be made during the term of this Agreement; (iv) the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with Section 7.11(a); and (v) there shall be no pro forma reduction of Indebtedness (including by way of netting of cash) with the proceeds of any Cure Amount for the fiscal quarter in respect of which such Cure Amount is made.
