Team review summary, April to September 2026

Payments platform team

Priya (Engineer II)

Rating: 4, Exceeds

Why: Strong delivery, best reviewer on the team, and mentored Jordan

Goal for next half: Lead the ledger migration design and hand off some reviews

Marcus (Engineer II)

Rating: 3, Meets

Why: Ships fast, but 41% rework and 3 incidents

Goal for next half: Add tests to every PR and get rework under 20%

Jordan (Engineer I)

Rating: 3, Meets

Why: Solid for 7 months in. Getting faster every month

Goal for next half: Own one full feature end to end

Elena (Engineer I)

Rating: 2, Partially meets

Why: Clean code, but missed commitments and goes quiet when blocks

Goal for next half: Raise blockers within a day, and weekly pairing with Priya
